Convenient to use on stairs
- Two comfortable carrying handles

Protection for your parquet floors
- Parquet nozzle for careful cleaning of hard-floors

Highly efficient anti-allergy system
- HEPA AirSeal and HEPA 13 washable filter

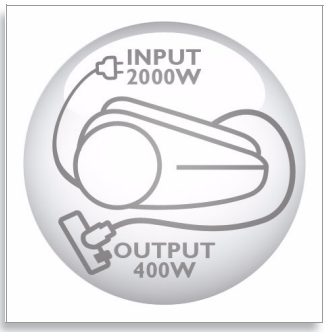
PHILIPS
sense and simplicity

Bag vacuum cleaner
Parquet

FC9084/01

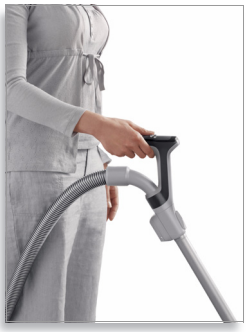
Highlights

2000 Watt motor



This powerful 2000 Watt motor generates max. 400 Watt suction power for excellent cleaning results.

ComfortControl handle



This ergonomically designed handle helps to prevent strain on wrists. It offers effortless single handed manoeuvring. Enjoy easier cleaning.

Comfortable carrying handles

This vacuum cleaner has not one, but two carrying handles. When it is on its wheels, there is a handle on top that you can lift and fix in position. This means you can easily move the cleaner around with very little bending. The second handle on the front side of the appliance enables you to comfortably carry it around in an upright position.

Parquet nozzle

No more risk of scrathes thanks to this nozzle, especially designed to carefully clean your hard-floors.

HEPA AirSeal, HEPA 13 filter

This vacuum cleaner has been designed in such a way that all the air taken in is passed through the washable HEPA 13 filter (99.95% filtration) before it is exhausted. No escape is possible.
